17

Rum Old Fashioned

18

Your choice of rum slowly diluted and combined with Angostura Bitters, sugar and garnished with an orange zest. Our favorite rum's for this cocktail include Havana Club 7 year old and Appelton Estate 12 year old.

Note: An old fashioned is a cocktail that requires a lot of T.L.C. and should never be rushed, hence you will find this drink will take around 5 minutes to be completed... the end product is well worth the wait!
