## Howard Park *Riesling* 2009 Great Southern Western Australia

Featured White

Purity is a word often used in describing Riesling, something not amiss here. Classically lean yet vibrant with ripe stone fruit and white flower aromas. Soft rounded texture with a real sense of opulence. It manages to remain focused and taut though with lemon pith and mineral characters along with fresh long acidity

Truly brilliant

Featured Red

## Henschke 'Henry's Seven' *Shiraz Grenache Viognier* 2008 Barossa Valley South Australia

Lifted & aromatic, this is beautifully vibrant and flavoursome. Its lively and playful with juicy red fruits. The palate is far more dense and rich with plenty of power, thankfully structure and grace come to the rescue with refreshing acidity and delicate tannins.

Surprising fresh
