

New Must Club Card terms and conditions 2017

- Members receive e-newsletters and access to special offers and events
- Each time you dine in the Bistro, present your card with payment of your bill; the spend amount transfers as points on to your account - \$1 equals 1 point
- Points cannot be earned without the card presented at Must Winebar at the time of dining
- You as the registered card member must be present when dining to receive points
- We cannot add the missed/past credits onto your card
- Customers with point's accruals over 1000 will be provided with first option to book special events, special offers and credit available to spend on their Must Club card.
