Raid our cellar!

We've asked our local friends in the wine industry to raid their cellars for amazing back vintage wine.

2014 Xanadu 'Stevens Road' Cabernet Sauvignon, Margaret River, WA \$89 bottle
with a food order, limited stocks available

A virtually unprocurable gem! Stevens Road is one of the great vineyard sites of the Margaret River region, producing tiny quantities of cabernet and chardonnay. Cellar-aged, this wine is drinking perfectly...a generous yet elegant palate of fleshy red fruits, inky satsuma plums and cassis, with supple tannins. A Margaret River classic, grab one with your takeout order!

Australian Icon

2016 Rockford Basket Press Shiraz Barossa Valley, SA \$149 our last 12 bottles
limit 1 per customer with a food order

Perhaps the best representation of a classic Barossan wine. The Basket Press Shiraz has a lineage from 1984, made in traditional methods and little superfluous technique, but with exceptional fruit from local growers who each 'own' a part of this wine with their dedication to their vines.
